**THIRD DECLARATION OF MARK C.  
 MAO IN SUPPORT OF PLAINTIFFS'  
 REQUEST FOR AN ORDER TO SHOW  
 CAUSE (MAO REPLY DECLARATION)**

The Honorable Susan van Keulen  
 Courtroom 6 - 4th Floor  
 Date: April 21, 2022  
 Time: 10:00 a.m.

**DECLARATION OF MARK C. MAO**

I, Mark C. Mao, declare as follows.

1. I am a partner with the law firm of Boies Schiller Flexner LLP, counsel for Plaintiffs in this matter. I am an attorney at law duly licensed to practice before all courts of the State of California. I have personal knowledge of the matters set forth herein and am competent to testify.

2. I submit this Declaration with Plaintiffs' Reply Brief in Support of their Request for the Court to issue an Order to Show Cause for Why Google Should Not Be Sanctioned for Discovery Misconduct.

3. From Google's initial list of identified logs and data sources, produced on November 18, 2021, Google identified only two logs with the [REDACTED] and none with the [REDACTED] or [REDACTED] bits. Dkt. 338-1. The two logs that Google identified that contain the [REDACTED] bit are the [REDACTED] and [REDACTED] logs.

4. As part of the Special Master process, Google produced a version of the schema for these two logs on December 1, 2021. But these versions did not contain the [REDACTED]. Google now claims that this bit was omitted since it was not among the [REDACTED] in each log. (At the time Plaintiffs filed the Opening brief, Plaintiffs did not know that Google also altered the schema for the [REDACTED] log.)

5. But weeks prior, Google produced schema with more than [REDACTED] fields for a number of logs and sources, including [REDACTED] fields for the [REDACTED] for the [REDACTED] and [REDACTED] fields for [REDACTED]

6. Once the dispute that became the basis for Plaintiffs' Motion for an Order to Show Cause arose, Google produced different versions of schema for some of the logs that contain the [REDACTED] bit, this time which contained the bit.

7. Google also hid the [REDACTED] field from the schema productions. Two examples of this are the [REDACTED] and the [REDACTED], produced by Google on March 11, 2022. Once Google re-ran the schema for these two logs, the

1 schema showed the [REDACTED] fields. Although Mr. Josef Ansorge for Google  
2 initially called [REDACTED]  
3 [REDACTED]

4 8. Google has not produced complete schema for any logs that contain the  
5 [REDACTED] bit.

6 9. Google still refuses to confirm whether they are withholding any *other* [REDACTED]  
7 [REDACTED] bits or *other* logs or sources containing any such bits.

8 10. Similarly, Google has refused to respond to Plaintiffs' inquiries seeking to know  
9 why Google did not timely produce documents concerning the [REDACTED] bit. In  
10 the Opposition Brief, Google suggests that it produced documents in the Fall of 2021 making clear  
11 that (i) a [REDACTED]  
12 [REDACTED] Opp. 5 (citing Trebicka Decl. Ex. 13). But the  
13 May 4, 2021 version of the design document reflected [REDACTED]  
14 [REDACTED]. Opening Mao Decl. ¶ 12 As my  
15 Opening Declaration pointed out, Google did not produce [REDACTED]  
16 [REDACTED] *Id.* ¶ 3. Plaintiffs have sent Google's counsel multiple messages  
17 demanding an explanation for why the [REDACTED] version of the document was not produced  
18 from [REDACTED] last fall. Google has never responded.

19 11. Attached hereto as **Exhibit 1** is a true and correct copy of an April 1, 2022 letter  
20 from Mr. Josef Ansorge, counsel for Google, to Special Master Brush and myself. Plaintiffs do  
21 not have any actual documents with these [REDACTED] and the comments were only  
22 produced to Plaintiffs as part of this letter. Google has not explained to Plaintiffs why the  
23 comments would not have been produced as part of Google's prior document productions.

24 12. Attached hereto as **Exhibit 2** is a true and correct copy of a March 15, 2022 email  
25 from Mr. Josef Ansorge, counsel for Google, to Special Master Brush and myself.

26 13. Attached hereto as **Exhibit 3** is a true and correct copy of the transcript from the  
27 March 23, 2022 conference between the parties and Special Master Brush.  
28

15. Attached hereto as **Exhibit 5** is a true and correct copy of a document Google produced in discovery labeled GOOG-CABR-03849022. The document was produced on September 28, 2021.

16. Attached hereto as **Exhibit 6** is a true and correct copy of the stipulation that Google proposed to Plaintiffs in response to the Court's order requiring Google to provide additional information about the [REDACTED], bit Dkt. 505-1. Google sent this draft to Plaintiffs on March 25. Plaintiffs responded that day with a follow-up question. Google has not responded, which is why the stipulation has not yet been finalized and filed.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed this 11th day of April, 2022, at San Francisco, California.
